### **Severe Weather Notice**

**Potentially significant severe thunderstorms are anticipated on Monday, March 16. This storm system may produce strong winds, heavy rainfall, and potentially hazardous weather conditions.**

**To help prevent damage and ensure the safety of all tenants, please take the following precautions:**

- **Secure all outdoor items, or bring them inside if possible, including chairs, tables, decorations, and other loose objects on patios or nearby areas.**
- **Make sure storm doors and windows are fully closed and securely latched to prevent wind damage.**
- **Use caution when walking in parking lots, sidewalks, and common areas during and after the storm, as there may be debris, standing water, or slippery surfaces.**

**Thank you for your cooperation in helping keep our community safe. Please stay alert to weather updates and take appropriate precautions as the storm approaches.**
