Delinquent Mortgage/Foreclosure Assistance

There are several programs which have been developed by the State of Maryland to assist homeowners who are having trouble with their mortgage and who are worried about losing their homes. A synopsis of the programs is listed below with contact information. We also have fact sheets on each of the programs if you would like a more in-depth explanation of how they might work for you.

The most important foreclosure prevention tips are:

1. Contact your lender immediately if you are facing difficulties making mortgage payments.
2. Meet with a Nonprofit Housing Counselor.
3. Try to refinance to a more affordable mortgage.
4. Avoid foreclosure “rescue scams”
5. Prioritize your spending and SAVE money.

Shore Legal Access Foreclosure Prevention Project assists low-to-moderate income homeowners in danger of losing a personal residence to foreclosure. Volunteer attorneys meet with clients to discuss options, answer questions about the foreclosure process, and accompany homeowners to mediation upon request and if appropriate.
